

Discovery Media Player

Send a document.

Know if it was read.

A sample document - 4 pages.

Tracked links

One link per recipient.

Revocable.

Re-shares chained to their parent,
so you see when a document travels.

Reading analytics

Time per page. Furthest page reached.
Device.

Counted only while the tab is visible
and focused - an open tab in the
background is not reading.

Live presentation

Present to a remote audience.

Chat, presence, handover.

The audience follows your page
without a video call.
